Hon. Robert Rolison, Chairman
Dutchess County Legislature

Dear Chairman Rolison,

When Dr. Joseph Calabro, MD was appointed to the Dutchess County Board of Health in August 2013 he was filling Dr. William Smookler's unexpired term. I would like to request an extension of Dr. Calabro's term which will expire on December 31, 2014.

Dr. Calabro has been in the practice of general pediatrics for 29 years. He received his bachelor's degree at the University of Tulsa and his medical degree at the University of Oklahoma. He also did his pediatric residency at the University of Oklahoma. He has been practicing in Poughkeepsie since 1988 and was a founding Doctor at TLC Pediatrics in the year 2000, where he has practiced since then.

He currently serves as the Vice President of the Dutchess County Board of Health. He is a member of the Dutchess County Medical Society, the New York State Medical Society, and the American Academy of Pediatrics.

Dr. Calabro has been a tremendous asset to the Board, especially in regard to health matters relating to children and adolescents.

I have no doubt that Dr. Calabro will continue to serve the Board with the same dedication he has shown and I recommend that you approve the extension of his appointment without reservations.

Please contact me should you have any other questions or concerns.

Sincerely,
